BUILD-A-FARM FUNDRAISER

Play-dough chickens, LEGO goats, abstract paintings of ducks - this is the type of creativity we hope to see in this year's Advent Fundraiser for World Renew! The Build-a-Farm fundraiser is a friendly competition between Gateway, Trinity, and Living Hope. Each church is going to try build the best farm they can using the world renew gift catalogue through donations and artwork!

This is not only about raising money, but about support and awareness for World Renew, growing our compassion for the need of others during the Christmas season, and getting creative! We especially look forward to seeing the different contributions from people old and young who are part of this Advent project.

HOW WILL THIS WORK?

Each week we will highlight a different theme animal and each week we invite people to have artwork submissions about that animal and a number of animals that you are committed to supporting for each week. Please note: you do not need to have purchased an animal to submit artwork AND you do not need to have artwork to purchase an animal. Feel free to participate in whatever way you like!

Kevin Schut, the event organizer, will be gathering the information from all three churches and highlighting how many animals we have purchased as well as the farm artwork that has been submitted. Artwork can be submitted directly to Kevin at kevin.schut@twu.ca.

Check with your church to see how it is collecting information regarding donations to World Renew as each church will be doing this differently.

We will be sharing the results with the other churches every weekend, so the submissions must be in early. The deadline will be 5 pm on each Wednesday. The first deadline for submission is at **5 PM on Wednesday, November 25**.

ANIMALS BY WEEK & SUBMISSION DEADLINES

LIVING HOPE'S DONATIONS

Keeping track of the animals we have purchased from week to week will be done by a pledge through an online form. The deadline to submit the pledges will be the same as the deadline for the artwork. If you have difficulty with the form you can contact the office directly.

Giving itself can be done online by selecting World Renew in our [GIVE tab](#). You may also give by dropping off your donations at the church with the label that it is for World Renew.
